SUBJECT: GREEK ATTENDANCE AT SEMINAR ON UNSCR 1737 AND 1747

REF: SECSTATE 69283

11. (U) On May 22, A/Polcouns met with proliferation expert Dionyssios Kivetos of the MFA D1 Directorate for International Organizations to discuss reftel invitation to the open-ended seminar on UNSCR 1737 and 1747 implementation. Kivetos said no one from the MFA would be able to attend due to prior commitments during this heavy period of international meetings. Kivetos noted, however, that a representative from the Greek missions in Vienna could perhaps attend, though a final decision had not yet been taken.
